Reservoir Hill Association, Inc.
2100 Bolton Street
Baltimore, MD 21217

Dear Kimberly Forsyth,

I offer Reservoir Hill Association my enthusiastic support and appreciation for its role as a unifying voice for the neighborhood -- there will now be a single representative source for "Reservoir Hill's position" led by and for its community members. I appreciate the service that the Association, in partnership with Reservoir Hill's historic districts, provides to the Community and Baltimore City and expects to provide in the future. As Mayor of Baltimore City, I recognize the effort it took to launch this Association that offers a cohesive presence in an organization focused on inclusiveness, transparency, and effective communication for Reservoir Hill's residents, owners, and businesses. Baltimore City leadership welcomes RHA's active involvement in the future of Baltimore and wishes RHA tremendous success in its future endeavors to enhance Reservoir Hill.

Sincerely,

Bernard C. "Jack" Young
Mayor
Baltimore City
