Overview from Officer Lee

Discussions:

Officer Charles Lee provided stats to the group for review

- Addressed a shooting that was reported over the weekend. BPD does not have any official records of a shooting happening in the RH area from the prior weekend.
- Be mindful of scams (via phone) during the holiday season – do not give out personal info. Deliveries are prone to theft thus you should consider securing your packages. Make the proper arrangements for pickup to avoid any theft.
- Open Q/A with Officer Lee

#### Planning & Development Committee Update (Ronnie)

- 904 Druid Park – Scheduled for Auction 11/11/2021. The property has been abandoned and sold several times.
- 804 Newington – Suggested that Mr. Chin come and speak to the community and provide more understanding. This is targeted to occur next month.
- 2201 Brookfield – Postponed; To be discussed further at the next Planning and Development meeting
- Suggestion made to have co-chairs for the committee. This will be brought up for suggestion and vote at the next meeting.
- The next meeting date may change to the last Monday or Wednesday of the month to not conflict with RHIC. This will be addressed with the committee.
